## YEC-40 Battery Charger

Charger that can charge the battery of your Yamaha motorcycle, scooter, ATV, SMB and/or marine products

- Contains unique battery charging technology. Fully automatic switch mode charger that analyses the state of the battery, charges and automatically switches to maintenance charging when ready
- Designed for safety: spark-free, protected from reverse polarity connections and short-circuit proof
- Light and compact; handy and easy to store
- Specially tested and approved by Yamaha service engineers to fit our range of motorcycles, scooters, ATV, SMB and other products
- Patented method for desulphation; extends life of the battery
- Also separately available: 1) indicator plug with long cable and "traffic-light" style battery indicator  
2) built-in panel plug with extra long cable to mount in the dashboard of your Yamaha  
3) Indicator panel 150, a combination of the indicator plug and built-in panel plug with long cable

Article number:

YME-YEC40-EU-00	EU-plug
YME-YEC40-UK-00	UK-plug

### Specifications

Type	8 step, fully automatic switch model with pulse maintenance
Dimensions	168 x 65 x 38 mm
Weight	0,6 kg
Certified conformity (CE/TÜV/WVTA)	CE-approved
Battery charge capacity	1.2-90 Ah

## YEC-8 Battery Charger

Charger that can charge the battery of your Yamaha motorcycle, scooter, ATV, SMB and/or Marine products

- Contains unique battery charging technology. Fully automatic switch mode charger that analyses the state of the battery, charges and automatically switches to maintenance charging when ready
- Designed for safety: spark-free, protected from reverse polarity connections and short-circuit proof
- Light and compact; handy and easy to store
- Specially tested and approved by Yamaha service engineers to fit our range of motorcycles, scooters, ATV, SMB and other products
- Patented method for desulphation; extends life of the battery
- Also separately available: 1) indicator plug with long cable and "traffic-light" style battery indicator  
2) built-in panel plug with extra long cable to mount in the dashboard of your Yamaha  
3) Indicator panel 150, a combination of the indicator plug and built-in panel plug with long cable

Article number:

YME-YEC08-EU-00	EU-plug
YME-YEC08-UK-00	UK-plug

### Specifications

Type	4 step, fully automatic switch model with pulse maintenance
Dimensions	140 x 50 x 38 mm
Weight	0,6 kg
Certified conformity (CE/TÜV/WVTA)	CE-approved
Battery charge capacity	1.2-32Ah

## YEC Indicator Panel 150

Combines a battery charger built-in plug and a battery charge indicator into one

- Connects to the battery chargers YEC-8 and YEC-40
- Allows a neat, solid connection point rather than a flying lead connection
- 'Traffic light' style LED indication: green, orange, red
- 1.5 m extra long cable to allow installation of connector to almost anywhere on your bike
- Rubber grommet to keep dirt out of connector
- Equipped with an inline fuse for extra safety

Article number:  
YME-YECIP-15-00

### Specifications

Dimensions	42 x 23 x 55 mm
Weight	~100 gr
Certified conformity (CE/TÜV/WVTA)	N/A
Mounting hardware	Not required. Instructions for use included in package

## YEC Battery Charger Built-in Panel Plug

Smart and easy plug for connection from panel mount socket at the dashboard to the YEC-8 or YEC-40 battery chargers

- Allows a neat, solid connection point rather than a flying lead connection
- 1.5 m extra long cable to allow installation of connector to almost anywhere on your bike
- Rubber grommet to keep dirt out of connector
- Equipped with an inline fuse for extra safety

Article number:  
YME-YECPA-15-00

### Specifications

Dimensions	42 x 23 x 55 mm
Weight	~100 gr
Certified conformity (CE/TÜV/WVTA)	N/A
Mounting hardware	Not required. Instructions for use included in package

## YEC Battery Charger Indicator

Gives instant and clear indication of the charge condition of your vehicle's battery

- Connects to the battery chargers YEC-8 and YEC-40
- 'Traffic light' style LED indication: green, orange, red
- 0.5 m long cable
- Rubber grommet to keep dirt out of connector
- Equipped with an inline fuse for extra safety

Article number:  
YME-YECP-05-00

### Specifications

Dimensions	55 x 20 x 15 mm
Weight	~80 gr
Certified conformity (CE/TÜV/WVTA)	N/A
Mounting hardware	Not required. Instructions for use included in package

Parts & Accessories

## The Yamaha Chain of Quality

Yamaha technicians are fully trained and equipped to offer the best service and advice for your Yamaha product. For this reason, Yamaha strongly recommends visiting an official Yamaha dealer for all your service requirements. Yamaha Genuine Parts & Accessories are especially developed, designed and tested for our Yamaha product range. Yamaha also recommends the use of Yamalube®; our own range of high-tech lubricants, the lifeblood of Yamaha engines. They are developed to carry on working effectively, no matter where you ride. Besides functional and style accessories, Yamaha offers a range of high quality, innovative riding gear designed to keep you comfortable and protected, both on- and off-road. An extensive range of casual wear is also available. For more information go to: [www.yamaha-motor-acc.com](http://www.yamaha-motor-acc.com)

Always wear a helmet, eye protection and protective clothing when riding any type of powered vehicle. Yamaha encourages you to ride safely and respect fellow riders and the environment. All information in this brochure/catalogue is given for general guidance. Specifications and appearance of Yamaha products and non Yamaha branded products are subject to change without prior notice. Non Yamaha branded products as depicted in this brochure/catalogue are fully developed and produced by respected third parties. Yamaha does not guarantee the availability of the displayed products in local markets. The product range may be limited in some countries and Yamaha has the right to discontinue products without prior notice. Where applicable, prices of Yamaha products may vary according to local requirements and conditions but no rights can be obtained from these prices and information. Sizes of the apparel displayed are indicative - Yamaha recommends you to visit your local Yamaha dealer for the best fit. For further details and availability, please contact your local Yamaha dealer.
